WAIOT Infection Symposium

Musculo-Skeletal Infections: One Standard, Many Contexts

08:30 – 11:00

How do minimum requirements translate across high-, middle- and low-resource settings?

TIME	TOPIC	SPEAKER
SESSION 1 · 08:30 – 09:45		
	Chairs – EOA: El-Zaher Hassan, Gamal Hosny, Ashraf Moharam | WAIOT: M. Fadel, Carlo L. Romano, L. Drago, Edward Lee	
08:30 – 08:35	**Welcome & Introduction** *Rationale, scope, objectives*	
08:35 – 08:50	**Talk 1 – Why We Need Dedicated MSK Infection Units** *Epidemiology and the case for a structured model of care*	**Carlo L. Romano**
08:50 – 09:05	**Talk 2 – The Microbiology Backbone** *Diagnostic standards, sampling protocols and antimicrobial stewardship*	**L. Drago**
09:05 – 09:20	**Talk 3 – High-Income Standards** *Multidisciplinary team composition, referral pathways and patient flow*	**Carlo L. Romano**
09:20 – 09:35	**Talk 4 – Musculoskeletal Infection Care In Low- and Middle-Income Countries** *Challenges, opportunities and adapted minimum requirements*	**M. Fadel**
09:35 – 09:45	**Discussion**	—
SESSION 2 · 09:45 – 11:00		
	Chairs – EOA: Hani ElMouwafi, Alaa ElZohairy, Samir Elshoura, Sayed Abdelhamid, Adel Anwar, Timour ElHosseiny | WAIOT: M. Fadel, Carlo L. Romano, L. Drago, Edward Lee	
09:45 – 09:57	Talk 5 – How New Technologies Can Improve Musculo-Skeletal Infection Management in High- and Low-Middle Income Countries	**Carlo L. Romano**
09:57 – 10:09	Biofilm Formation and Its Management with Coated Implants: Does It Work?	**P. Giannoudis**
10:09 – 10:21	Orthoplastic Experience Post Infection – Recommendations	**Edward Lee**
10:21 – 10:36	**"One Standard, Many Contexts: Adapting the Model Across Resource Settings" and Egyptian Experience** *Panel discussion & open Q&A*	**All speakers** **El-Zaher Hassan** **Walid Ebeid** **Yasser Allam**
