

WAIOT

Action Plan 2019

Ashok N. Johari

The Vision

My vision:

*WAIOT to be the first and foremost
orthopaedic infection related organization in
the world*

My theme:

***More Education, Greater Research,
Better Patient Care***

The Mission

Membership

- Concerted efforts to increase membership
- We need to show them the benefits of being a WAIOT member
- Educational offerings
- Research possibilities

Education

- WAIOT to create awareness on Infections and the need to take joint and concerted action against it
- Physician Education
 - Newsletters
 - Conferences
 - WAIOT International Congress
 - Education Corner on the WAIOT website
 - Book “Perspectives on Infections of Bone & Joint”
 - Courses, Fellowships & Awards
- Patient Education
- Government Education

Research

- Research projects carried out by WAIOT members
- Simpler research projects funded by WAIOT
- WAIOT Award Papers in Conferences
- Innovations in management of bone and joint infections

Humanitarian Efforts

- Sensitization of general population, governments and funding agencies
- Preventive efforts

The Action

What is possible in 2019?

- Increasing membership via different congresses
- Thrust on Education
 - CME programs, newsletter, website corner, book
 - International Congress of WAIOT, 2019, 2020
 - Young Surgeon / Medical Student Award Papers / Essay
- Paediatric Bone & Joint Infection Study Group, similar other groups
- Foster climate for Research
- Activate Study Groups
- Utilise the talents of WAIOT members
- Funding efforts

Thank you!
